## Builders to keep bobbies on the ball

**COPPERS** will square up to carpenters in a charity football match to help injured servicemen.

Bobbies will face staff from Drybrook's Hale and Co Builders Merchants at Cinderford's football ground at the Causeway.

Money raised from the event, which will be held on April 24 with a 2pm kick off, will go to the Help for Heroes charity.

There will be an auction, barbecue, drinks and local band Pandemick will be playing.

Admission will cost £2 for adults and under-15s will get in free.

Simon Evans from Hale and Co said: "We've played the police a few times before and if my memory serves me correctly we're undefeated," he said.

PC Glen Morse said: "I don't care if we lose 10-0, the important thing is that we raise money for a good cause."

**IS IT A FOUL?** Simon Evans for Hale's and PCSO Sean Clark square up watched by from left, MD Les Hale, Cinderford chairman Ashley Saunders and Riflemen Sean Gane and Mark Evans.
