# Hales opens a new showroom

## Drybrook

FAMILY-owned Forest builders' merchants Hale and Co in Drybrook are celebrating 100 years in business by unveiling a new showroom building.

The company is inviting both building trade professionals and homeowners to visit the new kitchen and bathroom showroom for its grand opening on Friday or Saturday, November 18 and 19.

"Visitors will have the opportunity to see an unparalleled showcase of kitchen and bath designs," says a spokesman.

"The new showroom, displaying traditional, modern or contemporary stylish interiors and innovative and decorative fixtures, provides the ideal inspiration to explore, design and create."

As well as kitchen and bathrooms there is also a recently-opened range and stove studio where customers have the opportunity to take a closer look at stoves and cookers and explore the benefits of traditional heating and cooking systems.

Hales opening times are 7.30am-5pm week-days and 7.30am-12 noon on Saturdays.
